

Finlandia Foundation National

Inspiring, celebrating and connecting the Finnish-American community since 1953

You're
Invited
to
FINNPOSIUM
Finlandia Foundation

is excited to bring you
FINNPOSIUM, a variety of online
chats, webinars, musical and
other presentations related to
Finland and Finnish culture
in the United States.

The Internet allows us to
create a virtual version of
the ancient Greeks'
symposium, a program
of music, dancing
and conversation.

FFN has already shared
exclusive chats with "Deep
River" novelist Karl Marlantes
and Boston Ballet Artistic
Director Mikko Nissinen, a
"Finnish Drinks" happy hour with
Steve's Cocktail Show, and more.

Check the FFN website and social
media for links and information
on **FINNPOSIUM**.
